Administrative Theories and Management Thought The text incorporates major addition and revisions to make it more up-to-date, comprehensive and reader-friendly.

Administrative Theories and Management Thought ...

The administrative theory is given by Henri Fayol, who believed that more emphasis should be laid on organizational management and the human and behavioral factors in the management. Thus, unlike the scientific management theory of Taylor where more emphasis was on improving the worker's efficiency and minimizing the task time, here the main focus is on how the management of the organization is structured and how well the individuals therein are organized to accomplish the tasks given to them.
