Legal Anthropology An Introduction

Legal Anthropology provides a definition of law which differs from that found within modern legal systems. Hoebel (1954) offered the following definition of law: "A social norm is legal if its neglect or infraction is regularly met, in threat or in fact, by the application of physical force by an individual or group possessing the socially recognized privilege of so acting"

Legal anthropology - Wikipedia

The Journal of Legal Anthropology (JLA) is a peer-reviewed journal committed to anthropological understandings of socio-legal and cultural encounters. The journal develops ethnographic and theoretical approaches to a wide range of issues that reveal the significance and presence of legal phenomena in everyday life.

Journal of Legal Anthropology | Berghahn Journals

Legal anthropology has historically tried to understand the relationship between legal processes and other aspects of social, cultural, economic, and political life as well as the meanings and implications of legal practices on their own terms.

Legal Anthropology - Anthropology - Oxford Bibliographies

This is a classic piece on the anthropology of ordered societies, and particularly those that have achieved the order without what we would recognize as modern, liberal, post-Enlightenment law. This should be on the bookshelf of anybody who puzzles over the role of law and rights.

Order and Dispute: An Introduction to Legal Anthropology ...

Legal Anthropology. The development of legal anthropology parallels the development of anthropological theory. The concept of natural law first came from the ancient Greeks, namely Plato and Aristotle. They believed the way humans reason is natural and that society derives from that reason. Law is dictated by reason and is therefore also natural.
